

Dear Friend of Dolphins:

Ahoy there, mate! Congratulations! Scoring 80,000 points despite the inky shadow of an evil squid is no shrimpy accomplishment. You guided your dolphin friend through shifting seahorse walls using sonar and sound judgement. You caught the right waves and leapt with power and grace to nip the magic seagull, thus forcing your nemesis to turn tentacles and flee. You proved to even the saltiest ancient mariner that you deserve your membership in the Friends of Dolphins club.

Therefore, in recognition of your aquatic effort in defense of fellow intelligent mammals, we have enclosed your official Friends of Dolphins patch. Wear it with pride and dignity.

Your name will be added to our mailing list and you'll receive Activisions, an Activision Family newsletter that reports on our new games, our designers, special contests, and the experiences of our other video game fans around the country.

Thanks for sharing your accomplishment with us, and we hope you'll try for membership in our other game clubs.

Sincerely,
